characteristics

Information

Cabinet "U" handles GN 728 are a low cost variant in metal.

The installation can be carried out from the back (Type A) as well as from the operator's side (Type B). The hole centers dimension is identical on all variants. As a result they can be mounted in pairs opposite each other.

Cabinet "U" handles M.443 CH
(Technopolymer)

Cabinet "U" handles M.543
