Two views of a mechanical lock cylinder with a handle. The top view shows the handle in a horizontal position, and the bottom view shows the handle in a vertical position. The lock cylinder is silver-colored with a black handle. The handle has a curved shape with a small rectangular cutout. The lock cylinder has a keyhole on the front face.

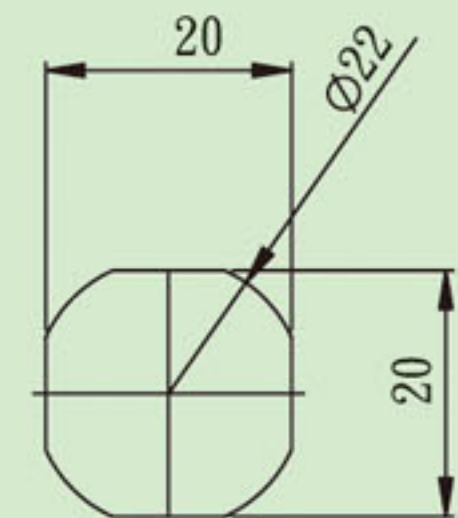

A photograph of a brass door handle and a set of keys. The handle is a lever-style handle with a hexagonal base. The keys are two metal keys attached to a small metal ring. The entire image is set against a light green background.
