

Deep Tab Roto Lock

- Progressively draws two panels together
- Designed for thicker material
- Provides air and water tight seals
- Adjustable to allow for manufacturing tolerances and gasket shrinkage
- Zinc plated plus bright chromate dip

* Latch and receptacle must ordered separately

* Typical on latch and receptacle

P/No.: R2-0169-02 (Latch)

P/No.: R2-0160-02 (Receptacle)
